- Enable others to become motion leaders

**PRESENTER** Michael Fullan is professor emeritus of the Ontario Institute for Studies in Education of the University of Toronto. He currently serves as Special Advisor to the Premier and Minister of Education in Ontario. Recognized as a worldwide authority on organizational change, he is engaged in training, consulting, and evaluating change projects around the world. His work also includes helping several provinces in Canada and several states in the United States in applying policies and strategies in order to increase the learning and achievement of all students.
